ROUND ADJUSTABLE TABLE ADJUSTMENT INSTRUCTIONS:

1. For a round adjustable table, it is advised that two people are required to make the adjustment.
2. Place foot into the step at the bottom of the table base to stop the table from moving when making the adjustment.
3. Place hands on either side of the table top, and gently pull until you feel the table unclip from the base frame.
4. Lift the table top out of the base frame, rotate 90°, and gently place back into the base frame. You should now see that the table has been placed at a different height.
5. Holding the table top at either side, gently push until you feel it click back securely into the base frame.
6. Make sure the table top is securely and evenly in place before use. If the table top is not correctly in place, repeat steps 2 to 5 until you are happy the table top is secure and at your desired height.
